New Office in Haverhill, Suffolk

We are pleased to announce that we have opened up a new office in Haverhill, Suffolk.

The office is located in Chantry Mills on the High Street, in an old mill building that dates back to 1784.

See where we are on this link:

Wanquang Beijing China

A leading private developer in China has commissioned JBA to produce a master plan for two adjacent sites in the Wanquang area, Northwest of central Beijing. The sites total 30 acres and are part of a new urban area being created to accommodate the ever increasing demand for residential accommodation in the Eastern regions.
